News from State Auditor Ed Hatchett's Office

Hatchett Releases Audit of Russell County Fiscal Court

(Frankfort) State Auditor Ed Hatchett has released his audit of the financial statements of the Russell County Fiscal Court for the fiscal year ended June 30, 1998. As Auditor of Public Accounts, Hatchett is responsible for auditing the financial statements of Kentucky's county governments and state agencies. State law requires annual audits of county fiscal courts.

The audit contains the following comments:

- The county should require depository institutions to pledge sufficient securities to protect taxpayer funds from potential loss (the county's deposits were not adequately secured by \$492,966 as of April 15, 1998.)
- The county should comply with federal law 12 U.S.C.A. § 1823(e) and enter into a written agreement with their depository institution to further protect taxpayer deposits.
- The Jailer should have complied with KRS 441.135(2) and maintained proper receipt and disbursement ledgers.

The report found that the county's financial statements, in all material aspects, fairly present the county's financial transactions.
